Dear GTRW members,

As I hand over the Golden responsibilities of GTRW President to another, my utmost desire is to express my gratitude to each and every member of our GTRW family:

YOU ARE MY TRUE HEROES!

For the past two years, each of our board members dedicated their time to excelling in their positions and committee members. And these overreaching efforts resulted in GTRW amassing multiple awards at the recent TFRW convention.

Please realize that our accomplishments have gained recognition not only in Texas, but nationally. But most importantly, **WE HELPED TURN THIS COUNTY RED!**

GTRW'S many successes stem from our friendship and support of one another. We are the REAL DEAL, and we must NEVER allow ourselves to become ANYTHING LESS.

Serving as your President has been a genuine honor and privilege, and I am so very thankful for the opportunities and encouragement received over the past two years. Together, we will continue to uphold conservative values and enable Jefferson County to serve as a leading example.

Elaine Henderson, your new President, will guide you through the crucial 2024 election year. Please offer her your time and effort.

Wishing each of you and your families a delightful holiday season —

Love,

Linda Brown

Happy New Year to all of you. Hope you had a wonderful holiday. Thank you for your continued support of GTRW! I could not be more excited about the future of this club and how we are about all going to work together to keep Jefferson County and Texas Red and putting a Republican back in the White House. There are several elections this year starting with the Primary Election on March 5th with early voting from Tuesday, February 24th to Friday, March 1st. Everyone needs to plan on helping out in some way. Working the polls, poll watching, texting, phone calls, holding signs for candidates and so much more. Please call Cindy Dishman if interested in Poll Watching and Stephanie Figari about working as a judge or clerk. There is mandatory Jefferson County Republican Party training that workers are required to attend and poll watchers are encouraged to attend. The link to the JCRP page to sign up is: <https://www.signupgenius.com/go/60B084AAFA92BA0F85-mandatory#/>

Roxanne is working on some incredible speakers for this year. Be sure and stay tuned for updates. After the crazy fall, we had this year in DC, I look forward to hearing Congressman Randy Weber's legislative update at the January 8th luncheon. Be sure and sign up for the luncheon before January 1, 2024. We encourage you to make your luncheon reservations on the website as it makes it much easier for the person taking the reservation. Don't forget it is time to renew your membership. If you have not renewed your membership since Oct 1st your membership renewal is due ASAP. Please work on bringing in new members too. Remember our strength is in our numbers. I want to encourage every member to get involved with a committee. It is going to be a busy year with the General Presidential Election and now is the time to start helping out.

There is a Leadership Day on January 26-27, 2024 at the Sheraton Austin Georgetown Hotel and Conference Center. I encourage anyone interested in attending to go to TFRW.com and register.

Looking forward to a spectacular year. I read a beautiful poem after my installation at the December meeting. I wanted to print it here for those that were not able to attend. This poem reminds me of the mighty women in this club who may sometimes forget their worth. Have a wonderful Christmas. Hope to see you January 8th.

Elaine Henderson
President elect

When God created woman, he was working late on the sixth day.....
An angel came by and asked." Why spend so much time on her?"
The lord answered. "Have you seen all the specifications I have to meet to shape her?"
She must function on all kinds of situations,
She must be able to embrace several kids at the same time,
Have a hug that can heal anything from a bruised knee to a broken heart,
When God created woman, he was working late on the sixth day.....
An angel came by and asked." Why spend so much time on her?"
The lord answered. "Have you seen all the specifications I have to meet to shape her?"
She must function on all kinds of situations,
She must be able to embrace several kids at the same time,
Have a hug that can heal anything from a bruised knee to a broken heart,
She must do all this with only two hands," She cures herself when sick and can work 18 hours a day."
THE ANGEL was impressed "Just two hands.... impossible!
And this is the standard model?"
The Angel came closer and touched the woman.
"But you have made her so soft, Lord".
"She is soft", said the Lord,
"But I have made her strong. You can't imagine what she can endure and overcome."
"Can she think?" The Angel asked..
The Lord answered. "Not only can she think, but she can also reason and negotiate."
The Angel touched her cheeks....
"Lord, it seems this creation is leaking! You have put too many burdens on her."
"She is not leaking...it is a tear" The Lord corrected the Angel...
"What's it for?" Asked the Angel...
The Lord said. "Tears are her way of expressing her grief, her doubts, her love, her loneliness, her suffering and her pride."...
This made a big impression on the Angel,
"Lord, you are a genius. You thought of everything.
A woman is indeed Marvelous."
Lord said. "Indeed she is.
She has strength that amazes a man.
She can manage trouble and carry heavy burdens.
She holds happiness, love, and opinions.
She smiles when she wants to scream.
She sings when she feels like crying, cries when happy and laughs when afraid.
She fights for what she believes in.
Her love is unconditional.
Her heart is broken when a next-of-kin or a friend dies but she finds strength
to get on with life."
The Angel asked: "So she is a perfect being?"
The lord replied: "No. She has just one drawback
She often forgets what she is worth."

Congressman Randy Weber is a public servant, proven conservative, former small business owner, and third-generation Texan representing the 14th District of Texas.

In Congress, he serves on the House Energy and Commerce Committee, which has the broadest jurisdiction of any legislative committee in Congress. Weber also serves on the Science Space and Technology.

For over 68 years, Randy Weber has called the Gulf Coast home - a place to start a family and build a business. Although juggling work and family takes great amounts of time and effort, Weber makes time to be an active member of his church and community. Weber built his air conditioning company, Weber's Air & Heat, in 1981 from scratch and grew his business by using what his grandfather used to call 'good old-fashion Texas horse sense and a strong work ethic.' Like others who have successfully moved from business to public service, Weber's real-world experience in the private sector underpins his commitment to lower taxes, his contempt for wasteful spending, and his firm dedication to better schools.

Prior to being elected to Congress, Weber served four years in the Texas State House. During his tenure, Weber served on the committees of Environmental Regulation, Public Education, and as Vice Chair of Border and Intergovernmental Affairs. While serving in the Texas House, Randy Weber authored landmark legislation to combat human trafficking and protect women, young girls, and boys - some as young as 12 years old.

Weber has lived in a 20-mile radius all his life and has been married to Brenda Weber, a retired schoolteacher, for over 45 years. He is a graduate of Alvin Community College, and holds a Bachelor of Science from the University of Houston at Clear Lake. Randy and Brenda have three children and eight wonderful grandchildren. He previously served on the House Foreign Affairs and Transportation and Infrastructure Committee.

Monday November 6, 2023 Speaker

Roxanne Babin grew up in Beaumont and graduated from Forest Park High School. During her teenage years, she was a member of the Beaumont Melody Maids traveling with Department of Defense entertainment tours to all US military bases around the world.

After graduating from Lamar University, Roxanne joined the company of the Windmill Dinner Theatre in Houston. She married Brian Babin in 1972 and together they sang professionally to finance his dental school education. They had a surprise addition to the family during Brian's Junior year of dental school and another surprise addition his Senior year, prompting them to accept an USAF scholarship which obligated them to 4 years of military service. Returning to TX in the summer of 1979 after serving in Ramstein Germany, the Babins welcomed planned baby #3, along with surprise baby #4. With four children under the age of 5, they settled close to family in the small town of Woodville. Brian became the local dentist, mayor, school board member and Baptist deacon while Roxanne drove the carpool, did the laundry, cooked the supper, fed the dog, and 9 years later welcomed BIG surprise, baby #5.

As a resident of Woodville for 40 years, Roxanne and her husband, Congressman Brian Babin, helped grow the area GOP from no Republican primary in 1980 to a full county slate of Republican office holders today. Roxanne has written, directed, and performed in the Tyler County Dogwood Pageant historical dramas, served in the Music and Performing Arts ministry of First Baptist Church and as a Director of the Heritage Village Museum where she established a state award winning Junior Historian program. In Washington D.C., Roxanne has served as the Program Chairman of the Republican Congressional Spouses' Club, the Vice-Chair of the Republican Speakers' Seminar, the Vice President of the International Friendship Club, a Director of the Republican Women's Federal Forum and a member of the Candy Carson Voices and Strings Ensemble performing annually at area military hospitals and the Museum of the Bible.

Roxanne has been a classroom teacher, mostly in the Middle School grades, which she credits as preparation for facing any situation she might encounter in Washington. She takes an active interest in the Congressional Military Academy appointment process, The Student Congressional Advisory Council, The Congressional Art Contest, and local and D.C. office internships. Roxanne takes seriously the responsibility of expanding the educational opportunities available to area students throughout the Texas 36th Congressional District to nurture our next generation of Republican leaders. Roxanne thought she and her husband of 50 years would spend their retirement traveling and enjoying their seventeen grandchildren. An unmistakable call to duty in the form of an unexpected Congressional race changed their future in 2014. She went from planning Christmas dinner one day to running a Congressional campaign the next. And she has never looked back.

Kit Whitehill is the 2022-2023 TFRW President. She previously served as the 1st Vice President-Special Events, the Community Engagement Chair, and the 2017 TFRW Convention Chair. She has presented at numerous TFRW Nuts and Bolts Trainings, and at the 2019 NFRW Region III Training held in New Orleans.

Kit has made a great impact on the local level as well, founding the Coppell Republican Women in 2012 and serving as their President three times and Programs Chairman twice. She is a Dallas County precinct chair and served as the Dallas County GOP Secretary for 5 years.

Kit was the Campaign Manager for her husband, Justice Bill Whitehill of the Fifth District Court of Appeals in the 2012 and 2014 elections. In 2014, the Dallas County Republican Party named her a “Volunteer of the Year” and in 2015 the Coppell Republican Women’s club was honored to be named the Dallas County GOP Club of Year. She was appointed by Governor Abbott in 2019 to serve on the Texas Motor Vehicle Crime Prevention Authority.

Kit and her husband Justice Bill Whitehill have been married 42 years. They have three children and five grandchildren. They have lived in Coppell since 1993 and are active members at Valley Ranch Baptist Church

TEXAS SUPREME COURT JUSTICE JANE BLAND Place 6

Jane Bland has served in the state judiciary for 25 years and on the Supreme Court of Texas since 2019. Before her service on the Court, she served 15 years as a justice on the First Court of Appeals and six years as a State District Judge.

Justice Bland chairs the Judicial Commission on Mental Health. She is also the Court’s liaison to the Texas Board of Legal Specialization and the Texas Supreme Court Historical Society. She is the deputy liaison to the Court’s Rules Advisory Committee. She is a member of the American Law Institute and serves on the Advisory Committee for the Federal Civil Rules for the Judicial Conference of the United States.

Throughout her career, Justice Bland has been recognized for her work to improve our state’s judiciary. In 2010, Chief Justice John Roberts presented her with the William H. Rehnquist Award, given to a state court judge who exemplifies the highest level of judicial excellence, integrity, fairness, and professional ethics. The Texas Association of Civil Trial and Appellate Specialists has recognized her as the judge of the year four times. She has received several President’s Awards for her work with the Houston Bar Association and the Houston Young Lawyers Association. Justice Bland is board certified in civil appellate law and civil trial law.

She earned her undergraduate and law degrees from the University of Texas at Austin. Following law school, Justice Bland clerked for the Honorable Thomas Gibbs Gee on the United States Court of Appeals for the Fifth Circuit. She began her practice at Baker Botts LLP. Before her appointment to the Court, she was a partner at Vinson & Elkins LLP in Houston.

Justice Bland has chaired the board of Houston Volunteer Lawyers and the Oversight Committee for the Texas Pattern Jury Charges. She served on the Court’s Commission to Expand Civil Legal Services and the Board of Legal Specialization’s Civil Appellate Law Advisory Commission. She is a senior trustee of the UT Law School Foundation.

Justice Bland and her husband, Doug, have two grown children.

We Mourn the Loss of Justice Sandra Day O'Connor, 1930-2023

On December 1, American women lost a true trail-blazer and role model - Justice Sandra Day O'Connor. Most recognize O'Connor as the first woman to serve on the U.S. Supreme Court. But did you know she was a member of the National Federation of Republican Women before she became a judge?

O'Connor graduated from Stanford Law School at a time when few women were pursuing legal careers; in fact, despite being on law review and third in her class, she could get hired only as a legal secretary, not a lawyer.

She went on to pursue a career in politics that included five years in the Arizona State Senate. In 1972 she broke a glass ceiling when she became Majority Leader - the first woman in the country to hold such a high office in a state legislative body.

Sandra Day O'Connor shattered the hardest of ceilings in 1981, when President Ronald Reagan appointed her to the Supreme Court. She was confirmed 99-0. Describing his nominee as "a new Justice for a new American era" at the National Federation of Republican Women Biennial Convention in Denver on September 18, 1981, President Reagan said:

"One accomplishment that I'm especially proud of as President is the appointment to the Supreme Court of Sandra O'Connor. She is an outstanding example of the qualified women living all across this country whose talents and energies are so helpful in Washington. And let me say that one of her good qualities is the fact that she was a member of this organization before she joined the bench... And I'm convinced she'll make a fine Justice, not just because she's the first woman on the Court but she also brings, as I say, a philosophy with her that I believe is especially appropriate for the Court."

Men Do Not Belong in Women's Sports. Period.

NFRW, President Eileen Sobjack joined over 17 organizations and many individuals with collegiate swimmer Riley Gaines in a rally to support women's sports. The fight continues.

This Wednesday, Gaines testified before the House Oversight Subcommittee on Health Care and Financial Services on the Biden Administration's proposed changes to Title IX, which expand the definition of sexual discrimination to include gender identity. When the subcommittee's ranking Democrat, Summer Lee, called Gaines' remarks "transphobic," Gaines struck back: "And ranking member Lee, if my testimony makes me 'transphobic,' then I believe your opening monologue makes you a misogynist." Subcommittee Chairwoman Lisa McClain called out the Biden Administration for putting leftist politics before women and girls, "Congress must do everything it can to protect women's sports," she said, charging, "The Biden Administration is putting women's safety, privacy, and opportunities at risk by dismantling Title IX."

IN LOVING MEMORY OF JULIE RICHARDSON PROCTER
Gift of Life's Julie Richardson Procter 5K Ribbon Run honors the legacy of Julie, a beloved Southeast Texas attorney and devoted Gift of Life board member who succumbed to ovarian cancer in 2011 at the age of 51. Julie's wish was that her brave battle would serve as a meaningful catalyst to educate other women about the risk and symptoms of the disease and help save their lives.

"As a healthy mom, I never thought that I would be diagnosed with breast cancer. By the grace of God, the Gift of Life entered my life for I could not afford insurance. I was referred to this wonderful group when I felt a mass in my breast, and from that moment, they took care of me and paid for my mammograms, diagnostic tests and biopsies. This has been a difficult challenge, but I am facing my cancer journey for my husband and children. Gift of Life saved my life!"
